SUPPLEMENTAL DECLARATION

Box Issue Fee  
Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

We, Dale C. Gledhill and Brent L. Kidman, the inventors named in the above-identified patent application, hereby declare: that we are citizens of the United States of America; that our residences and post office addresses are 6 Eaglewood Lane, Sandy, Utah 84092, and 486 East Southfield Road, Spanish Fork, Utah 84660, respectively; that we verily believe we are the original, first, and joint inventors of the subject matter of the invention or discovery for which a patent is sought and which is described and claimed in the above-identified application; that the subject matter of the amendments dated December 12, 2005, and May 10, 2005, was part of our invention and was invented before the filing of the original,

above-identified patent application; that we have reviewed and understand the contents of the specification of the above-identified application, including the claims, as amended by the amendment referred to above; and that we acknowledge the duty to disclose to the Patent and Trademark Office all information known to us to be material to patentability as defined in Section 1.56 of Title 37 of the Code of Federal Regulations.

We claim the benefit under Section 120 of Title 35 of the United States Code of the earlier filed pending nonprovisional application Serial No. 10/342,701, filed January 15, 2003, and entitled DEFLECTING SECUREMENT ANCHOR FOR ELECTRICAL FIXTURES; and, insofar as the subject matter of the claims of this application are not disclosed in the earlier filed pending application in the manner provided by the first paragraph of Section 112 of Title 35 of the United States Code, we acknowledge the duty to disclose to the Patent and Trademark Office all information known to us to be material to patentability as defined in Section 1.56 of Title 37 of the Code of Federal Regulations, which became available between the filing date of the earlier filed application and the filing date of this application.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the

United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

Signed at SLC, Utah, this  
(City) (State)

17 day of March, 2006.
